

Cancellation Policy

Reservations may be cancelled at any time. All cancellations are subject to the following fees.

※The “cancellation period” is the date when the reservation cancellation was requested within the business days and hours of the Travel company.

Cancelation Period	Fee
20-8 days before the scheduled tour	30% of all travel costs
7-2 days before the scheduled tour	40% of all travel costs
1 day before the scheduled tour	50% of all travel costs
On the day of the scheduled tour	100% of all travel costs

The fees are applied per person that is registered for the tour. If only a part of your party cancels, you will not be charged for the whole group.

The fees also apply if you reschedule your reservation for a different date.
